**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't revoke or change the 1996 Telecommunications Act because if you do my service provider will no longer be able to compete with larger telecommunication companies. I currently get internet from a company called Sonic at a great price that the other these providers would overcharge for and under deliver. Please don't let this happen.

Thank you
